Pursuant to 26 *Del. C.* §203A and 26 *Del. Admin. C.* §4001-4.0, Velocity The Greatest Phone Company Ever, Inc. (“Velocity” or the “Applicant”), with authority to transact business in the State of Delaware, has applied to the Delaware Public Service Commission (“Commission”) for a Certificate of Public Convenience and Necessity (“CPCN”) to provide telecommunications services to the public within the State of Delaware.

The Commission has been authorized by the General Assembly to foster and promote the competitive provision of intrastate telecommunications services, where appropriate, within the State of Delaware. See 26 *Del. C.* §703. Pursuant to such authority and the Rules and Regulations of the Commission, the Commission proposes to grant the requested CPCN to the Applicant. The Commission Staff is reviewing the application and will determine if the Applicant has satisfied the criteria for intrastate telecommunications services under Delaware law.

Any person who wishes to protest or to comment upon this application must do so in a written document filed with the Commission ***on or before April 20, 2017***. In the absence of any good faith protest, the Commission will grant the Applicant a CPCN.

The Commission’s mailing address for the filing of any protests or comments is:

Delaware Public Service Commission

Attention: PSC Docket No. 17-0131

You are invited to review the Applicant's filed application and supporting documents to determine how your interests may be affected. You may review documents by going to DelaFile (<http://dep.sc.delaware.gov/>), the Commission's file management system, and by searching for Docket No. 17-0131. If you would like to review documents at the Commission's office, please contact Toni Loper at [Toni.Loper@state.de.us](mailto:Toni.Loper@state.de.us) to arrange a time for your review. You may also review copies of the Applicant's filed application and supporting documents at the office of the Division of the Public Advocate located at the 29 South State Street, Dover, DE 19901. Please call (302) 241-2545 to arrange for a time to review the documents at that location.

If required the Applicant will file with the Commission an illustrative tariff that sets out the terms and conditions under which it will offer its telecommunications services in Delaware. Because this is a competitive provision of such telecommunications services, the Commission will not make a determination that the tariff provisions or the proposed rates are just and reasonable.

The Applicant is not regulated by the Commission as a monopoly service provider. The Commission is relying on the competitive marketplace to determine acceptable terms and rates for the various competitive telecommunications services offered by this company and, therefore, **ALL PROSPECTIVE CUSTOMERS ARE ADVISED TO VERY CAREFULLY REVIEW THE TERMS, CONDITIONS OF SERVICE AND RATES BEFORE SUBSCRIBING.**

If you wish to request copies of documents in this matter, you must submit a written request to the Commission either by mail, fax, hand-delivery, or filling in the online FOIA request form located at the Delaware Department of State's website: <http://smu.portal.delaware.gov/cgi-bin/mail.php?foia-request&subj=DOS>.
